FC-129, Sector – III, Salt Lake, Kolkata - 700 106**

Date: 05.08.2020

## **NOTICE**

All the students of Umeschandra College (both main and extended campus) are hereby informed that amid the panic of COVID-19 Pandemic, DENGUE is also spreading constantly. Therefore, the students are instructed to follow health and hygienic rules to protect themselves from the danger of dengue. They must take the following steps to keep their safety:

- 1) Keep your home clean and tidy.
- 2) Do not allow stagnant water logging anywhere in and around your home.
- 3) Spray anti-mosquito liquids around your home.
- 4) Throw wet garbage regularly and keep the drains and gutters clean.
- 5) Wear clothes and don't keep skin area exposed.
- 6) Use mosquito repellent cream.
- 7) Always use mosquito net before sleeping.
- 8) Keep the windows and doors closed at most of the time especially in the mornings and evenings.
