They appreciate the institution for offering high-quality instruction in such a remote area. They value the college staff's commitment, friendliness, and spirit of cooperation. They show their indebtedness towards college for the efforts and hard work of the faculty. They admit that the college played crucial role in shaping their professional, ethical and personal life. They admit that their association with the college not only enabled them to acquire a degree but also it helped them to become human beings and the college also helped to inculcate human values among them and enriched every sphere of their life. They proudly acknowledge that the college helped them develop their communication skills, leadership abilities, social commitment, and responsibilities, and that it was only because of the college that they became social and formed lifelong relationships. Confidence was developed through college programmes, and teachers encouraged students to participate in these programmes. They appreciate that the institution gave them those wings so they could soar high and achieve their objectives. They attribute their current state in life towards the college.

Best experience and remarkable memory:

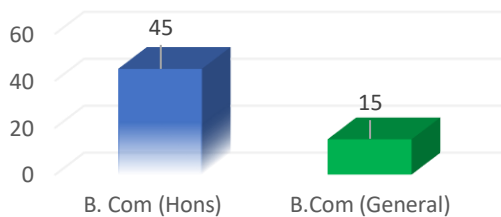

They long for the activities, athletics, and college memories. They do not forget the warmth of relation between students and teachers.
