Circular Regarding Mentor -Mentee System 2020-2021

Mentor-Mentee interactions are an essential part of the higher education journey. The College has prepared a list, from which you can determine who your mentor is. Your Mentor will handle any academic issues that arise. Different WhatsApp groups will be created by your designated mentors, and you must respond to your mentor when he or she wishes to meet with you both online and offline (when the offline mode will come into effect). It is a forum where you can discuss your academic problems and how to solve them. A list of Mentors and Mentees is appended with this circular for your convenience, and if any student does not find his or her name under any of the Mentor's names, please contact the respective HODs. They will make every effort to resolve your issue as soon as possible. Your last date of enlistment under any Mentor is 28.12.2020
