

UMESCHANDRA COLLEGE

13 Surya Sen Street Kolkata 700 012

Report on Career Counselling and Student Development Program conducted by Umeschandra College IQAC and Placement Cell in collaboration with ICFAI Business School, Kolkata

Event: Student Development Program on Data Analytics and Game Theory

Umeschandra College, in collaboration with the Internal Quality Assurance Cell (IQAC) and the Placement Cell, organized a Student Development Program on the intriguing and contemporary topics of Data Analytics and Game Theory on 19.9.23. from 9.30 am at Room No. 20 of Main campus of the college. The event was held in partnership with the prestigious IBS (ICFAI Business School), Kolkata. The event started with the inaugural speech by The Hon'ble Principal of Umeschandra College Prof. Dr. Md. Tofazzal Haque followed by a short speech by former IQAC Co-ordinator Prof. P.R. Das.

The profiles of the eminent speakers who gave a talk on the topic are as follows:

Speakers:

- **Dr. Samprit Chakraborty:**
Designation: Dean of Academics, IBS Kolkata
Qualifications: M.Sc (Economics), M.Phil (Management), EPGP (IIM Kozhikode), Ph.D. (ICFAI University)
- **Prof. Nirendu Konar:**
Qualifications: MTech (IIT Kharagpur), MBA (University of Phoenix, USA)

Event Highlights:

The Student Development Program featured insightful presentations and discussions on Data Analytics and Game Theory, delivered by esteemed speakers with extensive academic and professional backgrounds.

Key Takeaways:

- **Data Analytics Session:** Dr. Samprit Chakraborty elucidated the importance of data analytics in various industries, sharing practical insights into its applications. He discussed real-world

examples and case studies, showcasing how data-driven decisions are shaping businesses and strategies.

- **Game Theory Session:** Prof. Nirendu Konar provided an in-depth understanding of game theory, its relevance in decision-making, and its applications in economics and business. Attendees gained valuable insights into strategic thinking and decision-making processes.

Audience Engagement:

The program encouraged active participation from students, fostering an environment for questions and discussions. Attendees had the opportunity to interact with the speakers, further enhancing their understanding of the topics.

Conclusion:

The Student Development Program on Data Analytics and Game Theory, organized by Umeschandra College IQAC and Placement Cell in collaboration with IBS, was a resounding success. It equipped students with knowledge and insights into two vital fields, empowering them to explore new career avenues and make informed academic choices.
