REPORT ON THE ON CAMPUS PLACEMENT DRIVE 2024

DATE: 24.09.2024

TIME: 9.30 AM

VENUE: ROOM NO 20

On 24.09.2024, Umeschandra College organized an on-campus placement drive in collaboration with Reliance Nippon Life Insurance, one of India's prominent life insurance companies. The event was coordinated by the Placement Cell and took place in Room No. 20 of the main campus. It commenced at 9:30 AM and continued until the completion of all interviews. The primary objective of the drive was to provide final-year students with the opportunity to begin their professional journey in the insurance and financial services sector.

In preparation for the drive, the Placement Cell disseminated information regarding the job profile, eligibility criteria, and company background through internal communication channels. Interested students were invited to apply, and a total of 35 applications were received.

Out of the 35 applicants, 33 students appeared for the interview, resulting in a participation rate of 94.29%. Only 2 students (5.71%) were absent on the day of the event.

Personal interviews were conducted for all 33 attending candidates. Each interview focused on evaluating the student's communication abilities, subject knowledge, interpersonal skills, confidence, and readiness to take up client-facing roles in the insurance sector. The interview process was conducted in a professional and timely manner, ensuring every candidate had an equal opportunity to present themselves.

By the end of the drive, 14 students were selected for recruitment. This accounts for 42.42% of the total number of students who appeared for the interview. The selection outcomes were promptly communicated to the college. Reliance Nippon Life Insurance will follow up with the selected students regarding offer letters and onboarding procedures.

The feedback from the recruiters was highly encouraging. They expressed satisfaction with the preparedness and enthusiasm of the students and appreciated the discipline and support extended by the college during the recruitment process. The company indicated interest in conducting future recruitment drives at Umeschandra College based on their positive experience.

The Placement Cell extends its sincere gratitude to Reliance Nippon Life Insurance for engaging with our institution and offering valuable employment opportunities to our students. The Cell also acknowledges the consistent support of the Principal, faculty, and administrative staff in organizing the event. The dedication and coordination efforts of student volunteers were instrumental in ensuring that the process ran efficiently and without disruptions.

In conclusion, the on-campus placement drive held on 24.09.2024 was a successful initiative, marking a fruitful collaboration between Umeschandra College and Reliance Nippon Life Insurance. The Placement Cell remains committed to creating more such opportunities and will continue to work diligently to support the career aspirations of the students.
